The restoration of the tomb of Laura Fauntleroy Burguières (1876-1908) and baby Joe Burguières (1908-1908) was completed in 2021. Laura was the wife of Joseph Eugene Burguières (1876-1911), second son of Jules. Laura and baby Joe died shortly after his birth. Joseph later died of an appendicitis almost 3 years to the day after returning from Washington DC. He was there testifying before congress about the sugar cane industry.

Tomb Restoration Project

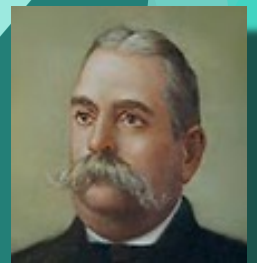

St. Helens Cemetery

Franklin, LA

- ❖ Through the years as a result of hurricane surges and waterlogged soil, several graves at St. Helens have been covered. Headstones have been washed away or were never placed on graves.
- ❖ A quote has been obtained from GeoModel (featured in many documentaries) to scan the cemetery. They will use their ground penetrating radar to locate burial sites.
- ❖ Approval from the church, and donations from the family may be sought in the future.
