Denis P. J. Branch Representative - *Voting will be for one person from this group*

Cindy McCurley Cangiolosi

Running for the Denis P.J. Branch position is Cindy M. Cangiolosi, wife of Joseph L. Cangiolosi, III (46 years Nov. 30th), mother of 2 sons, Charles D. Cangiolosi and Joseph L. Cangiolosi, IV. Cindy is the eldest daughter of 4 children born to Dolores Burguières LeBlanc, (daughter of Elodie and Jules Martial Burguières), and Charles Edward McCurley (all deceased).

Cindy has faithfully attended JMB Family Shareholder Meetings and functions for over 15 years even before she was a shareholder by bringing her mother. As such, Cindy became more knowledgeable of the JMB Board of Directors, its function, their investments, diversity, and growth. Likewise, she has kept in contact with family members, and met many members from other Branches. Cindy has been a shareholder since 2013.

Cindy has an extensive background in computer applications, and digital media production. She has been employed in the industrial, educational and private sectors. She has a BFA in Graphic Design from LSU and won numerous awards throughout her career such as: LSU Outstanding Staff Award, LSU Golden Key Award, LSU Union Design Excellence, 5 Ad Federation Awards, 1st Place in Float Concept & Construction, and 2 Teacher of the Year Awards (EBR - Central High School & Ascension Parish - Donaldsonville High). In addition, Cindy has written and was awarded numerous local grants including 8(g), served as a mentor for other educators, and developed the curriculum for Fine Arts instruction (Art I - IV, and Fine Arts Survey), Digital Media Instruction at 3 levels, and is AP Art History Certified.

Cindy retired in January 2013 with 25 years' service in education. She is excited about the new strategy at JMB of a more "blended" and diverse plan of investments such as mitigation projects, the acquisition of new, profitable properties, and fair distributions for all shareholders. Mostly, Cindy wishes to serve the JMB Company in honor of our ancestors, family and future family shareholders.

Henry I. A. Branch Representative - *Voting will be for one person from this group*

Daniel P. "Dan" Kammer, D. C.

I am the son of Jane Ivey Kammer and the late Martial Burguières Kammer, Sr. as well as the grandson of the late Marie Alice Burguières Saint, a descendant of the Henry family. My siblings are Martial Jr., Kristen and Kevin. After graduating from Excelsior College with a B.S. in Liberal Arts, I obtained a D.C. (Doctor of Chiropractic) from Life University in Marietta, GA. I own and operate my practice, Kammer Chiropractic Clinic, in Lillian, Alabama, and reside in nearby Pensacola, Florida. I was born in New Orleans and it still feels like home when I visit.

The JMB Companies is a source of great pride for all of us. I remember my grandmother repeating to me, "We must never, ever sell the land." I'm glad we didn't. I have keenly observed the growth and diversification of the JMB Companies over the last 30 years and I would like to participate in protecting the historical significance and legacy assets that have been so carefully minded by some incredibly gifted people. Serving on the JMB Assembly Family Council is an opportunity for me to practice the principle of service that has been integral to the Company's longevity and success.

Inez Branch Representative - *Voting will be for one person from this group*

Catherine Clerc “Cathy” Eagan

I am the mother of Courtney, Caroline, and Fred Eagan and the daughter of Marion Clerc. We are descendants of the Inez Branch of our family. I am also the current Chair of the Family Council. It has been an honor to serve as the Family Council Chair and work with so many dedicated Family members. As a child, I can remember listening to my mother and Ed Burguières talk about the family and the family business. I didn't really understand all their conversations, and now wish I had been old enough to grasp what they were discussing. I think it is so important that future generations really understand where the Burguières family has come from and how unique it is to be part of a family business that has been in existence for over 140 years!
